

Welcome to St. Stephen's United Church, East Delta

Welcome to Worship!

January 14, 2018

**As a courtesy to those who are sensitive, please refrain from wearing perfume or cologne during the worship service.*

Thank you to Glenda Pentland for reading scripture this morning.

We will be going over to Deltaview after the service today to sing some favourite hymns with the residents there.

Next Sunday there will be coffee after church, if you are able please bring some goodies to share.

First United Church in the Vancouver on the downtown east side is always in need of cold/wet weather clothing. Dollar store mittens, gloves, socks and rain ponchos are especially appreciated. There is always the year round need for coffee, coffee whitener, sugar.
