Sunday, December 16, 2018**

**3rd SUNDAY OF ADVENT**

---

Thank you to Marge Paton and Glenda Pentland for lighting the advent candle of Joy today.

Thank you to Glenda Pentland for reading scripture this morning.

Please join us for coffee after the service today and if you are able please bring some goodies to share.

Krista will be on a well-deserved vacation with her family over Christmas so there will no Sunday School until Jan 5th. Children are always welcome and invited to stay down for the service.

Christmas Eve service is at 5:30 and there will be an informal pageant for any children who would like to put on a costume. Thank you to Jamie Hutton and Tannis Bence for helping with the children.

Are you wondering what gift to give this Christmas? How about a donation to help children have fresh water or a safe place to live? Look on the United Church of Canada's website or pick up a book at the back of the church which has the United Church's sponsored ideas.
