

## St. Stephen's United Church, East Delta Sunday, January 7th, 2018

---

Today is Rev. Sally McShane's first official Sunday as our minister. We are blessed and very grateful that she will be here with us every week.

Thank you to Dewar Harper for reading scripture this morning.

For today's service please bring back your angels and snowflakes that Sally gave us before Christmas. You may decorate however you like or write words of gratitude or celebration on it.

First United Church in the downtown east side is in need of cold weather clothing, socks, blankets, sleeping bags etc. The Dollar store "magic" gloves and rain ponchos are very useful as well.

There will be a Lenten Bible Study starting Wednesday Feb. 21 at Marge Paton's home at 10:00 am. All are welcome to attend.

---
